

(4) Upon the expiration of seven days after such publication if no protest is filed, or after the hearing thereon, when protest is filed, the County Commissioners may by majority approve for payment the voucher or any part thereof.

(c) Any voucher approved pursuant to this section shall be signed by the County Commissioners so approving; such signature shall constitute a certificate that the Commissioner believes such voucher to be a fair, correct and bona fide claim payable from County funds.

174M. The Budget Supervisor shall

(1) approve no voucher for payment unless all items and amounts specified therein are authorized by a budget appropriation or emergency appropriation pursuant to Section 174J;

(2) sign each voucher approved, indicate thereon the budget account to be charged with the expenditure, and forward the voucher to the Treasurer;

(3) return any voucher disapproved to the County agency involved with a statement of the basis for disapproval.

174N. (a) No County agency shall expend, during any fiscal year,

(1) Any amount in excess of its total appropriation in the budget and from the emergency fund for such fiscal year, or

(2) Any item of its appropriation dedicated by the budget or emergency appropriation to any specified object or purpose, for any other than the specified object or purpose.

(b) If any County agency violates the provisions of this Section,

(1) The County Commissioners and Budget Supervisor shall not approve, and the County Treasurer shall not pay, any claim or demand for such expenditure; and

(2) There shall be no reimbursement of such excess expenditure, nor shall there be any liability or obligation upon the County to make any appropriation thereafter to meet such deficit.

174O. (a) In case the general revenues of the County from taxes and all other sources (except those covered by
