

County Commissioners. The said County Commissioners in their next annual levy may levy said tax on all land and improvements and any other property assessed for County tax purposes within said area, which tax shall be levied and collected as County taxes now are or may be hereafter by law levied and collected and have the same priority, rights, bear the same interest and penalties and in every respect be treated the same as County taxes. Provided, however, that the Board of County Commissioners shall not be bound in any single taxable year to levy the full amount permitted under this Act in the said taxable year, if in their judgment the full amount is not needed for the proper maintenance of the said Bethesda Public Library. The taxes so levied for the ensuing year shall be collected by the tax collecting authorities for said County and every sixty days they shall remit the whole amount of the taxes so collected to the Treasurer of the said Bethesda Public Library Association, Inc., or its successor or successors, upon the Treasurer giving a corporate bond to said board of County Commissioners to be approved by the Circuit Court for said County in a penal sum to be fixed by said Court, conditioned upon the faithful discharge of the duties of said Treasurer. From the money so received the Treasurer of the said Bethesda Public Library Association, Inc., its successor or successors, shall pay all proper costs, expenses, claims and demands, including salaries to a librarian and other employees, the purchase price of such real and personal property as may be necessary to establish, maintain and operate said Public Library and the principal and interest on encumbrances on any real estate so acquired by said Bethesda Public Library Association, Inc., as the same shall become due and payable, that are necessary to properly establish, maintain and operate said Public Library. Should the tax so collected in any one year be inadequate to defray the said costs, expenses, claims and demands such deficiency shall be added to the amount required for the next ensuing year and levied and collected in the next year's taxes.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1939.

Approved May 17, 1939.
