

such rules and regulations as are necessary for its management and control, and shall adopt a seal.

(B) The Commission shall appoint and at its pleasure, remove or discharge such officers and legal, engineering, clerical, expert and other assistants as may be required to carry the provisions of this compact into effect, and shall determine their qualifications and fix their duties and compensation. Such personnel as may be employed shall be employed without regard to any civil service or other similar requirements for employes of any of the signatory bodies. The Commission may maintain one or more offices for the transaction of its business and may meet at any time or place within the area of the Conservancy District.

(C) The Commission shall keep accurate accounts of all receipts and disbursements and shall make an annual report thereof and shall in such report set forth in detail the operations and transactions conducted by it pursuant to this compact. The Commission, however, shall not incur any obligations for administrative or other expenses prior to the making of appropriations adequate to meet the same nor shall it in any way pledge the credit of any of the signatory bodies. Each of the signatory bodies reserves the right to make at any time an examination and audit of the accounts of the Commission.

(D) A quorum of the Commission, shall for the transaction of business, the exercise of any powers, or the performance of any duties, consist of at least a majority of the members of the Commission; provided, however, that no action of the Commission relating to policy shall be binding on any one of the signatory bodies unless at least two of the Commissioners from such signatory body shall vote in favor thereof.

ARTICLE II.

The Commission shall have the power and its duties shall be:

(A) To coordinate, tabulate, and summarize technical and other data now available, or as shall become available in the future from any source, on the pollution of the streams of the Conservancy District and on the character and conditions of such streams, and to prepare reports thereon annually and at such other times as may be deemed advisable by the Commission.
