

County Commissioners to levy a sufficient sum in the year 1940 to pay said sum, together with interest thereon.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the County Commissioners of Garrett County be and they are hereby authorized and directed to levy for the year 1941 the sum of eighteen thousand dollars for constructing and equipping public school buildings at North Glade and McHenry, each to be two-room buildings, the cost of the building at North Glade not to exceed \$8,000.00, and the cost of the building at McHenry not to exceed \$10,000.00.

SEC. 1A. *And be it further enacted*, That the County Board of Education of Garrett County be and it is hereby authorized to borrow on its promissory note the sum of \$12,000.00 for the construction and equipment of a new school building in the year 1939 at Bloomington in said County. The said building shall be erected in accordance with the provisions of Chapter 4 of the Acts of 1939. The County Commissioners of Garrett County are hereby authorized and directed to levy in the year 1940 a sufficient sum to pay said note with interest thereon.

SEC. 2. *And be it further enacted*, That the County Commissioners and the Board of Education of Garrett County shall determine upon the plans for said school buildings, the said plans and site for said buildings to be approved by the State Superintendent of Schools as provided in Section 30 of Article 77 of the Annotated Code of Maryland.

SEC. 3. *And be it further enacted*, That, after the plans submitted by the said County Commissioners and the Board of Education for Garrett County shall have been approved by the State Superintendent of Schools, the said Board of Education shall invite sealed proposals by advertisement, to be inserted in such newspapers as it shall deem proper, for the construction and completion of said work, which bids shall be in sealed envelopes which shall be publicly opened on the day and hour named in said advertisement. Said bids or proposals shall set forth the amount of money for which the parties proposing will construct and complete the buildings, including heating apparatus, electrical wiring and other equipment according to the specifications, and the time or times at which payments thereof shall be made, and the time when said buildings shall be completed. The said Board of Education shall award the contract to the lowest responsible bidder, giving satisfactory bond to the State of Maryland in such penalty as said Board shall determine, conditioned for the
