AN ACT to repeal and re-enact, with amendments, Article 75, Sections 148, 149 and 150 of the Annotated Code of Maryland, title "Pleadings, Practice and Process at Law", sub-title "Supplementary Proceedings".

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Article 75, Sections 148, 149 and 150 of the Annotated Code of Maryland, title "Pleadings, Practice and Process at Law", sub-title "Supplementary Proceedings", be repealed and re-enacted, with amendments, so as to read as follows:

148. If it shall appear upon proof, by affidavit or otherwise to the satisfaction of the court, commissioner or examiner that any person or corporation has property of the judgment debtor or is indebted to him in a sum of money, or has any knowledge or information tending to prove any concealment or fraudulent transfer or withholding of any assets belonging to the judgment debtor, the judgment creditor shall be entitled to an order requiring such person or any of the officers of such corporation to attend and be examined as provided in the preceding section concerning the debt or other property at a time and place specified in said order.

149. Upon an examination under either of the two preceding sections such parties shall testify under oath, and shall not be excused from answering any questions on the ground that such examinations will tend to connect such party with the commission of fraud, but such answers cannot be used as evidence against said persons in any criminal action or proceeding based upon such fraud, and it shall be within the discretion of the court, examiner or commissioner to examine any of the witnesses, with the exception of the judgment debtor, out of the presence of one another.
