

line through the property of W. L. Brann parallel to and distant two hundred and fifty feet east at right angles from the division line of said W. L. Brann and George R. English and others to the center of the road leading from Walkersville to Mt. Pleasant; thence through the lands of John D. Nicodemus and others to the southwest corner of the Walkersville High School property; thence by and with the west side of said school property three hundred and eighty-eight and one-half feet to the Walkersville and Frederick State Road; thence in a straight line to the place of beginning.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1941.

Approved May 26, 1941.

CHAPTER 647.

(House Bill 433)

AN ACT to authorize Bethlehem Steel Company, a corporation of the Commonwealth of Pennsylvania, a property owner and taxpayer of Baltimore County, Maryland, its successors and assigns, to create, construct and maintain a dam, dike or solid fill across or in front of the mouth of Humphreys Creek, the mouth of which creek opens into Bear Creek, both creeks being navigable waters lying wholly within Baltimore County, Maryland, and to fill in and make improvements into the waters of said Humphreys Creek and its branches and of such part of Bear Creek lying in the rear of said dam, dike or solid fill, and to hold title to such land and improvements as shall have been or may be made or formed from time to time by so filling or making improvements in said waters.

WHEREAS, Bethlehem Steel Company, a corporation of the Commonwealth of Pennsylvania, a property owner and taxpayer of Baltimore County, Maryland, which corporation, together with its wholly owned subsidiary, the Dundalk Company, owns all the land surrounding Humphreys Creek in Baltimore County, the mouth of which creek opens into Bear Creek, a tributary of the Patapsco River, is desirous of erecting a dam, dike or solid fill across the mouth of said Humphreys Creek or in Bear Creek in front of said Humphreys Creek and to fill in the waters of said Humphreys Creek and its branches and that portion of Bear Creek lying in the rear
