

construction, improvement, maintenance, operation, repair and insurance of the motorway, and the custody, safeguarding and application of all moneys, and may also provide that any motorway shall be established or constructed and paid for under the supervision and approval of consulting engineers employed or designated by the Commission and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other moneys be satisfactory to such purchasers. It shall be lawful for any bank or trust company incorporated under the laws of this State to act as such depository and to furnish such indemnifying bonds or to pledge such securities as may be required by the Commission. Such indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the Commission may deem reasonable and proper for the security of bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repairs of the motorway.

122G. The Commission is hereby authorized to fix and to revise from time to time tolls for the use of the motorway or for the different parts or sections thereof, and to charge and collect the same, and to contract with any person, partnership, association or corporation desiring the use of any part thereof including the right-of-way adjoining the paved portion for placing thereon gas stations, garages, restaurants and advertising signs, for the sale of merchandise on said premises only, or for any other purpose except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use, on competitive bidding, the contract or contracts to be awarded to the highest responsible bidder or bidders in each instance. Public utilities, other than those offering facilities for the transportation of passengers, freight, merchandise or commodities, which have franchises for the use of the roads, streets and highways of the State, and pay a State gross receipts tax or other tax as a franchise tax, shall be permitted to exercise their franchise rights over such motorway and the right of way adjoining the paved portion thereof, subject to such reasonable and proper regulations as the Commission may prescribe, without being subject to any rents or charges.

Such tolls shall be so fixed and adjusted in respect of the tolls from the motorway, as to provide a fund at least sufficient
