

or oral contracts or proposals for said purpose shall be inserted in some newspaper published in Crisfield at least once each week for four weeks prior to the date of the election at which the subject is to be voted upon, and provided further that no contract or proposal for the construction or operation of such municipal electric light and power system shall be valid or binding except after such notice of all said contracts or proposals by such publication prior to said election. On the ballot to be used for determining said question, there shall be plainly printed in two separate lines the words: "For Municipal Electric Light and Power Proposal", and "Against Municipal Electric Light and Power Proposal", and after each line there shall be a space provided for the voter to indicate his preference. If a majority of the votes cast in such election shall be for the said municipal electric light and power system proposal, then the Mayor and Council may exercise the powers granted by said Sections 116A to 116X of this sub-title, but if a majority of the votes cast in any such election shall be against the said municipal electric light and power system proposal, then the Mayor and Council shall not exercise any of the powers granted by said Sections 116A to 116X of this sub-title.

116R. The powers herein granted shall be exercised by the Mayor and Council only within the corporate limits of Crisfield as now or as hereafter constituted, except that said Mayor and Council may require a site for the generating plant of said municipal electric light and power system at any convenient location outside of said corporate limits and may construct said generating plant on said site.

116S. The Mayor and Council, in addition to the monies which may be received from the sale of said revenue notes, bonds or certificates and from the earnings or other revenues of said municipal electric light and power system, shall have the authority to accept from any Federal agency grants of money for or in aid of the construction, operation or maintenance of said municipal electric light and power system and the payment of said notes, bonds or certificates and shall be entitled to receive and accept for such purpose or purposes contributions from any source of either money or property or other things of value.

116T. The Mayor and Council is hereby authorized to provide by ordinance for the issue of its refunding revenue bonds, notes or certificates for the purpose of refunding any revenue notes, bonds or certificates issued under the provisions of Sections 116A to 116X of this sub-title and then outstanding.
