

SECTION 1. *Be it enacted by the General Assembly of Maryland, That 19 new sections be and they are hereby added to Article 17 of the Public Local Laws of Maryland (1930 Edition), title "Prince George's County", to be under a new sub-title "Trailer Camps and Coaches", said new sections to be known as Sections 983A to 983V, inclusive, to follow immediately after Section 983 of said Article and to read as follows:*

983A. For the purpose of this sub-title, a "trailer coach" shall be defined as a vehicle without motive power designed for human habitation and for carrying persons and property on its own structure and for being drawn by a motor vehicle.

983B. For the purpose of this sub-title, a "trailer camp" shall be defined as any area or tract of land in Prince George's County where two or more trailer coaches are maintained or used for a period in excess of three days, or where space is rented or held out for rent to owners or users of trailer coaches or free camping is permitted to owners or users of trailer coaches for the purpose of securing their trade.

983C. For the purpose of this sub-title, a "camp site" shall be defined as that portion of any trailer camp designed for the use or occupancy of one trailer or camping party.

983D. No person, firm or corporation shall commence the operation or construction of a trailer camp or shall construct additional buildings or reconstruct or move buildings in an existing trailer camp unless such person, firm or corporation shall first make application in writing to the County Commissioners of Prince George's County, sitting as the Board of Health, and obtain a permit therefor. Such application shall be accompanied by a description of the grounds upon which said trailer camp is to be constructed or reconstructed or upon which new buildings are to be erected in an existing trailer camp, together with plans and specifications of the proposed construction or reconstruction of such buildings and a description of the water supply, ground drainage, and method of sewage disposal.

Within ten days after the filing of such application, accompanied by plans and specifications as aforesaid, the County Health Officer of Prince George's County shall make an inspection and if in his opinion the place selected for such trailer camp is satisfactory for such purpose and if the plans and specifications of the proposed construction, reconstruction, alteration or moving meet the requirements of this sub-title, the County Commissioners of Prince George's County, sitting as the Board of Health, shall issue to said applicant or applicants a permit for such work.
