

posited in said banks for the purpose of redepositing said funds in the main account providing only that such checks for said withdrawals be countersigned by the Mayor and City Clerk, the authority for which transfers need not be given by the Mayor and City Council in session.

SEC. 68. The Treasurer shall be the collector of all taxes which may be levied by the Mayor and City Council and shall receive and be the custodian of all moneys which may be due the City from any source whatever. He shall attend all meetings of the Mayor and City Council and shall receive an annual salary of Four Hundred (\$400.00) Dollars.

#### CITY ATTORNEY.

SEC. 69. The Mayor, by and with the advice and consent of the City Council, on assuming office shall appoint for a period of one year a lawyer of not less than twenty-five years of age who shall be a resident and taxpayer for a period of not less than one year next preceding his appointment and who must have been a member of the Harford County Bar for at least five years prior to his appointment.

SEC. 70. For all other services he is called upon to render, except in the instance of representing the City as Plaintiff or Defendant in all court cases, for which services he will be entitled to separate remuneration, in behalf of the Mayor and City Council and the Municipal Utilities Commission, the City Attorney shall receive an annual salary of Five Hundred (\$500.00) Dollars.

SEC. 71. Should the Mayor and City Council deem it advisable in any instance of litigation to obtain additional legal assistance, it is hereby authorized to do so provided acceptable arrangements as to compensation are first made for additional services for that purpose by the Mayor and City Council.

SEC. 72. The City Attorney must render all legal services he is called upon to render pertaining to the City Government and attend all meetings of the Mayor and City Council.

#### CITY ENGINEER.

SEC. 73. The Mayor may at any time should the need arise, by and with the advice and consent of the City Council, appoint, for such periods as are necessary, a City Engineer, who shall have been a Civil Engineer in the active practice of his profession for five years prior to his appointment, at a salary which in their judgment is reasonable and proper.
