

of any bonded debt or interest on the same which the Mayor and City Council may have made at the time it acquired said utilities and no money turned over by said Commission shall be expended by the Mayor and City Council for any other purpose as long as any debt exists which was occurred in the acquisition of said Utilities.

SEC. 105. All contracts and obligations not exceeding a total of One Thousand (\$1,000.00) Dollars entered into by said Commission or a majority of them shall be binding against the City of Havre de Grace. The Mayor and City Council or the City of Havre de Grace shall in no instance be responsible for any contract or obligation incurred by or through the Municipal Utilities Commission in excess of One Thousand (\$1,000.00) Dollars unless the consent and approval of the Mayor and City Council shall first be had and obtained.

SEC. 106. The Municipal Utilities Commission shall meet for the transaction of business regularly at least once each month at such times as they fix and more often if necessary. To constitute a quorum, all three members must be present. The Chairman may propose any proposition, as can the other members, but the Chairman is to cast no vote on the acceptance or rejection of such a proposition unless the other two members are not in accord, in which event the Chairman may cast the deciding vote on the proposal.

SEC. 107. The employment of all persons engaged by the Municipal Utilities Commission, their duties, as well as the amount of their salaries, is to rest in the sound judgment of the Commission.

SEC. 108. The payment and disbursements of every kind and description made by the Commission, including salaries, shall be by check drawn on its general fund and no check shall be valid unless countersigned by all three members of the Commission.

SEC. 109. The City Attorney shall be sole counsel to the Municipal Utilities Commission and may be called upon whenever the Commission so desires but compensation for services thus rendered are not to be paid in addition to that herein allowed the City Attorney by the Mayor and City Council.

SEC. 110. The City Engineer, if there be any appointed under provisions hereinafter set forth, shall be sole consultant to the Municipal Utilities Commission and may be called upon whenever the Commission so desires but compensation for services so rendered is not to be paid in addition to that hereinbefore allowed by the Mayor and City Council.
