

regulations and maintain order in and about the same directly or indirectly in connection therewith, as well as title thereto, is hereby vested in the Mayor and City Council to be exercised by the duly appointed Park and Harbor Committee.

SEC. 115. The Mayor and City Council may appoint one Inspector at a reasonable salary to enforce regulations, collect fees and rents, and may at any time require the Park and Harbor Committee to furnish a report covering all receipts and expenditures.

SEC. 116. All remaining balances arising from the income of rents and fees, after the payment of all expenses, shall at such times as the Mayor and City Council require be paid to the City Treasurer to the use of the City by the Park and Harbor Committee.

ACQUISITION OF AN ELECTRIC LIGHT AND POWER PLANT

SEC. 117. Whenever the Mayor and City Council shall determine that it would be advantageous for the City's interest to either lease, purchase or erect an Electric Light and Power Plant, transmission and distribution system for the purpose of supplying electricity or gas for municipal needs and to the inhabitants of the City and vicinity for domestic or other purposes and uses, having first obtained the approval and consent of a majority of the legally qualified voters of the City voting on the question, they are hereby authorized and empowered to borrow on the faith and credit of the City an amount necessary in their judgment to purchase or erect an Electric Light and Power Plant, transmission and distribution system, for the City and to issue bonds therefor. The amount of bonds to be issued under this authority is to be no greater than is necessary in the judgment of the Mayor and City Council to purchase, erect and equip an Electric Light and Power Plant, transmission and distribution system.

ACQUISITION OF A SEWERAGE DISPOSAL SYSTEM AND/OR INCINERATION PLANT

SEC. 118. Whenever the Mayor and City Council of the City of Havre de Grace shall determine that it is either advantageous or necessary for the health of its citizens to either purchase or erect a Sewerage Disposal System and/or an Incineration Plant, or both combined, for municipal purposes and its citizens' needs and the vicinity, having first obtained the approval and consent of a majority of the legally qualified voters of the City voting on the question, they are hereby authorized and empowered to borrow on the faith and credit of said City an amount necessary in their judgment to pur-
