

adjournment of the General Assembly. The Attorney General suggests that the measure in question (chapter 116, House Bill 45), be vetoed, which I am now doing.

Chapter 232 (Senate Bill 258). The subject matter of this Bill is covered by Senate Bill 515 which has already been signed and is now Chapter 601.

Inasmuch as this measure would simply duplicate the provision already passed and approved, I will veto this measure.

The State Law Department has advised me officially that a number of Bills passed the recent session of the Legislature, are duplicates of other Bills already signed by me since the adjournment of the Legislature. Inasmuch as the same subject matter is already covered in the chapters now signed, and which are now thereby the law of the State, I am vetoing the duplicate Bills in accordance with the suggestion of the Attorney General. The duplicate Bills now being vetoed are as follows:

Chapter 237 (House Bill 323), providing for divorce in insanity cases.

Chapter 876 (Senate Bill 458), granting additional powers to aid housing projects of Housing Authorities.

Chapter 691 (House Bill 717), pertaining to rentals for housing projects of Housing Authorities.

Chapter 530 (Senate Bill 409), authorizing the State Roads Commission to maintain the "Stephen Decatur Memorial Road."

Chapter 652 (House Bill 496), authorizing Allegany County Commissioners to open Flat Rock Bridge.

Chapter 400 (House Bill 37). The Insurance Commissioner explains that the provisions of House Bill No. 37 are unnecessary, in view of the provisions already made in the Administration Bill covering this same subject, as well as improving the Insurance Laws in other respects.

Therefore, because of the fact that the matter is sufficiently taken care of otherwise, I am vetoing House Bill No. 37.

Chapter 346 (Senate Bill 305). This Bill was introduced for the purpose of modifying the pre-existing requirement which disqualified persons convicted of certain offenses from receiving liquor licenses.

The identical language contained in Senate Bill No. 305 was also incorporated in Senate Bill No. 45, which became
