

Police except that he may be selected without regard to place of residence, the list prepared by the Police Civil Service Commissioner or the other qualification regarding police officers; provided, that such person be a qualified fingerprint expert, possess a knowledge of ballistics, have experience in photography, the collection, assemblage and preservation of evidence for use in criminal cases, and otherwise satisfy the Board of Commissioners that he is qualified in scientific crime detection. In addition to conducting the said department said officer shall instruct such other officers as the Chief of Police may designate in methods of scientific crime detection. The head of said department shall be known as Detective-Lieutenant and shall receive the sum of Twenty-five Hundred and Twenty (\$2,520.00) Dollars per annum, payable in equal monthly installments. No salaries or compensation shall be paid to any person or persons engaged in the work of said department, except to members of the Montgomery County Police Force as herein authorized; but nothing herein contained shall prevent said County Commissioners from authorizing the payment of any vouchers approved by the State's Attorney for Montgomery County for technical or expert assistance or witnesses in connection with the administration of his office or the presentation of criminal cases under his direction.

800A. Any member of the Montgomery County Police Force who volunteers for or is inducted into service in any branch of the military or naval forces of the Federal Government shall at the termination of such service, on application to the County Commissioners of Montgomery County, be reinstated as a member of said Police Force in his former status and seniority. To the extent made necessary by such reinstatements all men appointed to the Montgomery County Police Force after June 1, 1941, shall be considered temporary appointees removable upon the reinstatement of said volunteers and inductees. The temporary appointees shall be removed in the order of their appointment to the Montgomery County Police Force and if two or more are appointed at the same time then they shall be removable in the inverse order of their standing upon the list of appointments.

SEC. 2. *And be it further enacted,* That the County Commissioners shall make the appointments of new patrolmen authorized by this Act from among the men whose names now appear on the civil service eligible list as determined through examinations held by the Police Civil Service Commissioner of Montgomery County in January, 1940, and certified to the County Commissioners of Montgomery County in February, 1940, or who pass a new physical examination or from
