

thereof and requiring active attendance in the same, and on and after January 1, 1943, each applicant shall be a graduate of a Chiropractic school or college which teaches a resident course of thirty-two (32) months, or equivalent, comprising thirty-six hundred (3600) sixty minute hours or more, and requiring active attendance in the same. The applicant shall have a first grade four (4) years high school education or the equivalent thereof. Application shall be made in writing and shall be signed by the applicant in his own hand writing and shall be sworn to before some officer authorized to administer oath, and shall recite the history of the applicant as to his educational advantages, his experience in matters pertaining to a knowledge of the care of the sick, how long he has studied Chiropractic, under what teachers, what collateral branches, if any, he has studied, the length of time he has been engaged in clinical practice, accompanying same by reference therein, with any proof thereof in shape of diplomas, certificates, etc., and shall accompany said applications with satisfactory evidence of good character and reputation.

(b) There shall be paid to the secretary-treasurer of the State Board of Chiropractic Examiners by each applicant for a license, a fee of fifty dollars (\$50.00), \$25.00 of which shall accompany the application and the remaining \$25.00 shall be paid upon issuance of license. Like fees shall be paid for any subsequent examination and application.

(c) The Board shall recognize all schools which fulfill or comply with the requirements of this Act. The Board shall have the power to investigate, by personal inspection, any school for the purpose of ascertaining whether it meets the requirements of the Act. The Board shall have the power to recognize schools recommended by the State Board of Chiropractic Examiners in the territories in which the schools may be located, or through mutual State Boards.

446. (a) Examinations for license to practice Chiropractic shall be made by said Board according to the method deemed by it to be most practicable and expeditious to test the applicant's qualifications. Such application shall be designated by a number instead of his or her name so that the identity will not be discovered or disclosed to the members of the board until after the examination papers are graded.

(b) All examinations in the preclinical basic sciences shall be in writing, the subjects of which shall be as follows: Anatomy and Histology, physiology, pathology,
