## OBSTRUCTION TO PASSAGE OF FISH.

89. It shall be unlawful to place or set any net or any other device in or across any stream thereby preventing fish from having free access up and down any stream at any time; provided, however, dams may be built on which fish ladders shall be maintained under the provisions of this Act.

## FISH LADDERS.

90. Every owner of a dam or dams upon any of the non-tidal waters of this State is hereby required to make and keep in repair, or cause to be made and kept in repair, and placed upon said dam or dams at least one fish ladder of such a character as to enable fish to have a free course up and down said waters at all times. But in lieu of requiring the erection of such fish ladder or ladders pursuant to the above provisions and in lieu of requiring the construction and maintenance of fish ways or fish ladders pursuant to the provisions contained
