

The Board of Election Supervisors shall, on or before the third Monday in March, 1944, and each year thereafter, certify to the Mayor and Council, revisions, if any, in the lists so certified theretofore by them, which may be required to correct clerical mistakes in the preparation of the original lists.

Names of persons added by such revisions shall be deemed to have been certified originally and those persons shall be entitled to vote in the next succeeding election; and names of persons removed by such revisions shall be deemed not to have been certified originally, and those persons shall not be entitled to vote in the next succeeding election notwithstanding the original certification of their names.

The right to vote in town elections under this Charter shall depend entirely upon whether or not the name of the person claiming such right shall have been certified in accordance with the provisions of this Section.

Right of appeal to the Circuit Court of Montgomery County, is hereby given any person who shall consider himself aggrieved by the omission of his name from the lists of voters certified hereunder or revision thereof.

The qualified voters of said town shall on or before the tenth of April, in convention called by the clerk and treasurer, nominate one or more candidates for each office to be filled at the May election, provided, however, that any qualified person may be nominated by a petition signed by not less than ten per cent of the qualified voters and filed with the clerk and treasurer not later than the seventeenth of April. The clerk and treasurer shall, not later than the twenty-fifth of April, publish the names of all candidates, together with the office for which they have been nominated in the official journal of the town.

The council, with the approval of not less than two-thirds of the qualified voters, voting by secret ballot, shall have the authority to divide the town into wards and to assign one or more members of the council to each such ward. The council, with the approval of not less than two-thirds of the qualified voters, voting by secret ballot, shall have the authority to increase or decrease the number of members of the council provided that at no time shall the number of members of the council, exclusive of the Mayor, be less than four nor larger than twelve. Vacancies on the council, created by an increase in its membership, shall be filled at a regular or special election and a decrease in its membership shall not prevent any member of the council from serving to the end of term for which elected.
