

(d) Report each change of residence within 48 hours to the Taxicab Bureau.

(e) Answer promptly all communications and summonses received from the Taxicab Bureau.

(f) Deliver all fares and all other legal charges received to the owner.

(g) Not operate a taxicab while the driver's license is suspended.

(h) Not permit any other person to use badge or identification card.

(i) Not permit any other person to drive the taxicab and return the taxicab to the owner's garage upon completion of the shift to which the driver was assigned.

(j) Proceed with passengers to destination by the shortest practicable route.

(k) Give a receipt for fares on an authorized form when requested.

(l) Not operate a taxicab for more than twelve (12) hours of any continuous twenty-four (24) hour period.

(m) At all times, while on duty, have displayed in the interior of the taxicab, in the frame provided therefor, the identification card with photograph attached.

(n) Charge only the rate of uniform fare or charge established by agreement between owners and Taxicab Bureau.

(o) It shall be the responsibility of the driver upon having been assigned to a taxicab to ascertain that the cab and equipment is in good working order and no driver shall tamper with rate cards, speedometer cable or any other equipment required to be in the cab by law or that registers fares and charges.

57. The Commissioners of Aberdeen are empowered and authorized to make and promulgate such rules and regulations as it may deem necessary to govern and control drivers of taxicabs in Aberdeen and enforce the same as hereafter set out.

58. The Taxicab Bureau is hereby vested with discretion to refuse a license to any applicant if, in its opinion, said license should not be granted because of the applicant's past criminal record, accident record, or for
