

tenance of the same and annually report to the county board of education and the county commissioners and explain whatever items in the budget as may be required of him so that the county board of education and the county commissioners may be fully advised of the nature of each item of the budget as submitted by the board of education. Said supervisor of school property shall have such jurisdiction over all things herein mentioned that the board of education or the treasurer thereof shall not approve or pay any bill for anything in relation thereto unless said account, bill or statement shall have endorsed thereon the approval for payment of said supervisor of school property. Any employee appointed by the Supervisor of School property may be removed for cause by the County Board of Education after public hearing before the County Board of Education held with reasonable notice to the employee in question. The County Commissioners for Montgomery County are hereby empowered, authorized and directed to levy for and pay the salary, traveling and proper expenses of the said supervisor of school property and his assistant, and to provide pay and levy for all the employees under his supervision. When the County Commissioners shall have levied a definite amount for the functions assigned in this section to the primary jurisdiction of the Supervisor of School Property, such amounts cannot be diverted to other activities of the County Board of Education without a concurrent resolution of the Board of County Commissioners approving such transfer of funds.

(4) And such other clerical, statistical and stenographic assistants and other professional assistants, assistant superintendents, supervising teachers, helping teachers, attendance officers, medical inspectors and school nurses as the county board of education shall authorize; provided that no professional assistant shall be appointed who does not hold the appropriate certificate issued by the State Superintendent of Schools, and the appointment of no professional assistant shall be valid without the written approval of the State Superintendent of Schools.

The board of county commissioners of each county shall levy sufficient funds to meet the scale of salaries provided for in this section and shall not deny any part of the amount requested for any one school year by the county board of education to be raised by local taxation for the payment of the salaries of the professional and clerical assistants of the county superintendent; and the salary of no supervising teacher, helping teacher, or attendance officer, regularly employed at the time this section (as re-enacted in 1922) goes into effect, shall be diminished by reason of any of its provisions, but they shall be entitled to any increase in salary that may herein be grant-
