

tainer for each and every hogshead or basket or other container so sold. Any person, firm or corporation failing to include such statement shall be guilty of a misdemeanor and, upon conviction, shall be subject to the penalty prescribed by Section 56 of this Article. Every person, firm or corporation, engaged regularly in the business of selling leaf tobacco on or through any established tobacco market in Maryland either for the account of the grower, owner or other principal, or for his, its or their own account, shall keep a correct account, upon a form to be prescribed by the Maryland State Board of Agriculture, of the number of hogsheads and/or total pounds of leaf tobacco sold daily by such person, firm or corporation, said accounts to show the number of pounds sold weekly of Maryland grown tobacco and the number of pounds grown outside of Maryland, and that said account verified by oath shall on or before the fifth day of each succeeding month be returned or delivered to the Executive Officer of the Maryland State Board of Agriculture. The form of said account to be prepared by the said Maryland State Board of Agriculture as aforesaid, shall be so arranged and classified as to show under three separate classifications or headings, entitled "Southern Maryland Tobacco", "Up Country Tobacco" and "Tobacco Produced Outside of Maryland"; first, the number of pounds of tobacco sold for the producers of tobacco first hand; second, the number of pounds sold for dealers, and third, the number of pounds bought for the account of said person, firm or corporation making said report, or for the account of some other person, firm or corporation engaged in selling leaf tobacco. The proprietor or manager of any market engaged in selling leaf tobacco shall post or cause to be posted in a conspicuous place upon his premises each Monday morning during the period when tobacco is being sold a notice, stating the aggregate number of pounds of tobacco actually sold the preceding week and the average price per pound received therefor. That each person, firm or corporation engaged in selling leaf tobacco as aforesaid, shall keep its books in such manner as to show the warehouse hogshead or basket or other container number, weight, tare and net, date of sale, for whom sold, of each hogshead or basket or other container of tobacco, to whom the same was sold and at what price per pound, and the account or report required to be made as aforesaid to the Maryland State Board of Agriculture shall show clearly the average price received by such person, firm or corporation for tobacco sold during the month. When such information is received by the Executive Officer of the Maryland State Board of Agriculture, he shall immediately cause same to be copied in a book kept for that purpose, and shall in said book keep separate and apart the returns to him from each of said
