

spigots or hydrants, toilets and waste drains with said water main or sewer within the time prescribed by the Commission. Where the aforesaid fixtures do not exist, or are of the nature which, in the judgment of the Commission, is improper or inadequate, satisfactory equipment shall be installed by the owner on the premises consisting of at least one water closet and one sink or wash basin, both of which shall be properly connected with the sewer of said Metropolitan Commission. All cesspools, sink drains and privies located on properties connected to water mains or sewers provided by the Commission shall be abandoned, closed, and left in a sanitary condition so that no odor nor nuisance shall arise therefrom. Any violation of the provisions of this section shall be a misdemeanor punishable under Section 21 of this sub-title.

SEC. 10. *And be it further enacted*, That before any plumbing, water works or sewer construction is done in any building or upon any private property within any sub-district the person, the firm or corporation doing the same shall first obtain a permit from the Commission and pay therefor such reasonable sum as the Commission may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the Commission may from time to time formulate, and subject to such inspection as it may deem necessary. No connection of any kind shall be made with any water main or sewer constructed or maintained by the Commission without a permit and under such conditions as the Commission may authorize. In order to prevent waste of water the Commission or its agents or employees shall have the right of entry at reasonable hours to all buildings or premises connected with the water supply or sewerage systems under its jurisdiction, and may, upon presenting proper credentials from the Commission, order and require such changes in all plumbing, water works or water or sewer connection as it may deem necessary to eliminate leakage, loss of water or unnecessary or improper use of sewers. The said Commission shall exercise control of the water supply at all times, and in case of a shortage of water, or if for any other reason the Commission, in the exercise of its discretion, should determine that the water supply should be conserved, the consumers, upon notice from said Commission, its agents or employees, or upon notice published in one newspaper published in said County for one insertion, shall comply with any order passed by said Commission to conserve the water supply. Any violation of said order shall be a misdemeanor punishable under Section 21 of this sub-title; and in addition to the penalty prescribed the Commission may turn off said water supply of any person violating
