

said order at any time without further notice. No private or semi-public water supply or sewerage installation intended for the use of two or more buildings or premises shall be constructed in any sub-district without the person, firm or corporation doing the work having first obtained a permit from the Commission and paid a reasonable charge therefor, and such plant shall then be installed, maintained and operated under such rules and regulations as the Commission may require or devise. The Commission shall have full and complete jurisdiction over all fire hydrants connected with its water system and no person, firm or corporation shall operate, use or make connection with the same without the written authority of the Commission, excepting that no restrictions shall apply to any bona fide fire department in the discharge of its duties. No person, firm or corporation shall tamper with, deface, damage or obstruct any fire hydrant. Any violation of any of the provisions of this section shall be a misdemeanor punishable under Section 21 of this sub-title.

SEC. 11. *And be it further enacted*, That the Commission shall make such charge as it shall determine to be reasonable for every water and sewer connection as provided in this Act, based upon the width of the street, road, alley or right-of-way in which the connection is made; provided, however, that the connection charge on either side of the street, road, alley or right-of-way shall be uniform. All of the revenue above actual cost derived from such charges shall be retained by the Commission as a fund for repairs, replacements or any extraordinary expense in the maintenance and operation of the water supply, sewerage or drainage systems under its control.

SEC. 12. *And be it further enacted*, That all sums collected by the Commission for benefits levied against the property for water supply, sewerage or drainage construction shall be set aside as a separate fund to be known and designated as the "Metropolitan Current Interest and Sinking Fund", from which fund interest shall be paid on all outstanding bonds, and the balance, if any, transferred to the "Joint Metropolitan Sinking Fund Account", as provided in Section 6. The Commission, in order to determine the amount which it may deem necessary, to be levied under Section 6, shall deduct the amount to its credit in said "Current Metropolitan Interest and Sinking Fund", plus such amount as the Commission may estimate that it will be able to collect out of the benefit theretofore levied by it but not yet paid, from the whole amount necessary to be raised in any one year for interest and sinking fund payments on outstanding bonds, and the balance then remaining to be raised shall be the amount
