

furnished by the Department to the dealer, which said permission shall bear the signature of the dealer and shall be displayed as registration cards are now required to be displayed and provided further that before the dealer shall subscribe and furnish such permission to such purchaser such dealer shall have received from the purchaser the written application for the titling and the registration of the said motor vehicle with the prescribed fees therefor and shall forward the same by mail or messenger to the Department. Dealer shall notify Department immediately upon failure of purchaser to return plates at the expiration of the ten (10) day period. Failure by dealer to so notify Department will be considered as prima facie evidence of the violation of this section.

(c) Registered dealers may permit the use of their dealer registration plates, for a period not exceeding ten days from the date of delivery, upon vehicles owned by them, but loaned to prospective purchasers, for the purpose of demonstrating said vehicles irrespective of the business in which the purchaser may be engaged or the use to which said vehicle shall be put during the demonstration period.

(d) Registered dealers may use their dealer registration plates upon vehicles, owned by them, for the purpose of towing other motor vehicles and for all other purposes incidental to the dealers' business including the use of said registration plates on substitute vehicles owned by a dealer but loaned to an owner when the dealer is engaged in repairing said owner's vehicle.

(e) Except when used by a purchaser, or otherwise in accordance with the provisions of this section, dealer registration plates shall not be used on any motor vehicle while engaged in business of any kind or character except the business of the manufacturer, distributor or dealer; nor in the business of transportation for hire or livery business; nor shall the same be used after such manufacturer, distributor or dealer shall have been notified by the Department that such registration plates are forfeited because of violation of the provisions of this section.

(f) New motor vehicles owned by and in the possession of registered manufacturers, distributors or dealers shall be exempt from the registration by manufacturer's number prescribed by Section 21.

56. USE OF IN-TRANSIT REGISTRATION PLATES. A transporter may use "in-transit registration plates" on new motor vehicles when such registration plates are used only on new unregistered motor vehicles while said vehicles are being
