(b) DOUBLE CHARGE FOR METAL TIRES

Where any trailer or semi-trailer is equipped with two or more metal tires, the charge shall be double that of the same class equipped with rubber tires.

(c) FEES NOT CHARGEABLE FOR FARMING IMPLEMENTS

The fees as provided for in classes L, M and N shall not be chargeable in the case of threshing machines, clover hullers, binders, and other similar farming implements not designed for hauling purposes.

(d) Upon receipt of an application in proper form for the registration of semi-trailers operated under the shuttle or relay system, it shall be the duty of the Department, after due investigation, to issue additional registration plates not exceeding one additional for each truck tractor registered by the owner without extra cost.

CLASS O. TRUCK TRACTOR, TRACTOR OR TRACTOR ENGINES. Twenty-five (\$25) dollars for each tractor or traction engine, or any other similar vehicles used for propelling, supporting or drawing a trailer or semi-trailer. This charge shall not apply to, nor shall registration plates be required to be displayed on a tractor or tractor engine used for hauling on an unimproved road or for drawing or propelling agricultural or farming implements so long as such vehicle is not used for hauling purposes (except for drawing or propelling agricultural or farming implements) upon any improved highway.

(a) The charges above prescribed for the registration plates and certificates of registration provided for in Classes A, B, C, D, E and F, shall not apply to vehicles using the public highways of the State and propelled by steam or electricity. For such vehicles, the following fees shall be paid per annum to the Department, for the registration plates and certificates of registration issued by it in accordance with the provisions of this section.

CLASS P. ELECTRIC PNEUMATIC. Sixty (60c.) cents per horsepower or fraction thereof in the case of all motor vehicles
