

the purpose of taking the final examination. A person licensed to receive instruction and qualified to take the required examinations for the license applied for must appear in person at the Department of Motor Vehicles in Baltimore City, or at any of the places throughout the State which the Department may designate for the convenience of applicants.

83. EXAMINATION OF APPLICANTS. (a) The Department shall examine every applicant for an operator's or chauffeur's license, except as otherwise provided in this Article. Such examination shall be held in the City of Baltimore or in such other places as the Department might designate. It shall include a test of the applicant's eyesight, ability to read and understand highway signs regulating, warning, and directing traffic, knowledge of the traffic laws of this State, and shall include an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle, and such further physical and mental examination as the Department finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways.

(b) EYE TEST FOR VISUAL ACUITY—RESTRICTIONS. For an unrestricted license, applicant shall be required to have a minimum visual acuity of 20/70 in each eye, a field of vision at least 140 degrees, and binocular vision.

Failure to meet the above requirements shall cause the license to be withheld until applicant ascertains whether any of these conditions can be corrected by glasses or treatment.

In the event that they are corrected by glasses, a restricted license may be issued, endorsed "Holder Shall Wear Eye Glasses When Operating."

In case applicant cannot obtain 20/70 vision in each eye, but obtains 20/70 in one eye and not less than 20/140 in the other, or not less than 20/100 in each eye, a license restricting holder to "Daylight Driving Only" may be issued and shall be so endorsed.

(c) RESTRICTIONS IF BLIND IN RIGHT OR LEFT EYE. In case applicant is totally blind in either eye and vision in seeing eye of 20/40 or better with or without glasses, an unrestricted license may be issued. With vision of not less than 20/70 in seeing eye license shall be restricted to "Daylight Driving Only."

In event glasses are required to bring vision in the seeing eye to 20/40 or better, license shall bear this additional restriction: "Any Motor Vehicle Which the Applicant Drives Shall Have a Properly Placed Rear View Mirror."
