NEW WINDSOR BONDS.

March 11, 1943.

The President of the Senate,
Maryland State Legislature,
State House,
Annapolis, Maryland.

Dear Sir:

I am returning, without executive approval, Senate Bill 115 (Chapter 109), entitled:

“An Act to authorize the Burgess and Commissioners of New Windsor to borrow on the credit of said town a sum not to exceed twenty thousand dollars (\$20,000) for the purpose of extending and enlarging the water system and supply for said town, to secure the repayment of the sum so borrowed by the issuance of the bonds of said town, and to provide for the payment of the principal and interest of such bonds, and to authorize a special tax for such payment.”

The State Law Department points out that the authority to be granted under this enactment as to maturity of the bonds may be exercised in a manner inconsistent with Section 36, Article 31 of the Maryland Code. This might affect the bonds in question.

I have taken this matter up with the Senator from Carroll County who introduced Senate Bill 115 and who, in view of the foregoing, requests that I veto Senate Bill 115. It is my understanding that another bill will be introduced to give effect to the Attorney-General's ruling.
