

lected in like manner as other taxes levied in said County are collected, and when collected, shall be applied exclusively to the payment of the interest on said bonds and to their redemption as and when they mature.

SEC. 7. *And be it further enacted*, That this Act is hereby declared to be an emergency measure and necessary for the immediate preservation of the public health and safety, and having been passed by a yea and nay vote, supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Approved April 1, 1943.

CHAPTER 283.

(House Bill 386)

AN ACT to repeal and re-enact with amendments Sections 442 and 446 of Article 13 of the Code of Public Local Laws of Maryland, title "Harford County", sub-title "Roads", as said sections are codified in Higinbothom's Code of the Laws of Harford County, which Code is being duly legalized at the 1943 Session of the Legislature.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Sections 442 and 446 of Article 13 of the Code of Public Local Laws of Maryland, title "Harford County", sub-title "Roads", be, and the same are hereby, repeal and re-enacted, with amendments, to read as follows:

442. The said Commissioners may have prepared by the County Surveyor an official road map of the county, upon which shall be designated all county roads and the distance between intersections of roads or prominent places thereon; whenever a new road shall be opened or accepted or an old road altered or closed its location or the fact that it has been altered or closed shall be properly designated on said map. Said Commissioners may, at their discretion, have finger-boards or sign posts placed at road crossings or intersections designating the distance to the nearest prominent point and may give suitable names to the county roads and change the same as they may see fit.

446. The said Roads Engineer, appointed under the provisions of the preceding section, shall have charge and super-
