

State Tax Commission of Maryland for its approval and if the said Commission refuses to approve the name so submitted the County Commissioners must submit additional names until one so submitted is approved by the said Commission, after which, such person so approved shall be appointed by the County Commissioners for a period of three years and shall be re-appointed for a like period from time to time thereafter if his services are deemed satisfactory; except that such member now holding this office under the Section repealed by this Act, and who has been already approved by the State Tax Commission, shall continue to serve for a period of three years from the date of his appointment, heretofore made, prior to the passage of this Act. In the event of the death or resignation or removal for cause of an assessor so appointed, the County Commissioners shall fill the vacancy for the unexpired term in the same manner in which the original appointment was made as is herein provided. Said member so appointed shall devote his entire time to the performance of the duties of his office.

The Supervisor of Assessments appointed by the State Tax Commission shall, ex officio, be chairman and receive such compensation as provided by law, together with his necessary traveling expenses, and the additional member shall be designated as Deputy Assessor and shall receive compensation to be fixed by the County Commissioners payable in equal monthly installments, and the salary herein authorized shall be in lieu of all fees and compensations, except traveling expenses, to be fixed by the County Commissioners.

87-A. It shall be the duty of the members of said Board to perform any and all work in connection with the assessing or valuation for tax purposes of all property in Harford County subject to taxation, and to perform the duties of County Assessors as required by the statutes of the State of Maryland and the regulations of the State Tax Commission, to the end that real and personal property in Harford County may at all times be assessed legally, uniformly and fairly.

It shall be the further duty of the members of said Board of Assessment to inform themselves of all property of whatsoever nature which is not included in the assessment list of said County, and place a valuation thereon, make return to said County Commissioners thereof, giving a description of said property, the name or names and addresses of the owner or owners, and the value as set by said Board.

In order to secure the assessment of all tangible property the said assessors shall check all public and private
