

799. It shall be the duty of the County Health Officer to examine all applicants for position on the Montgomery County Police and to certify to the Police Civil Service Commissioner the physical condition of each of said applicants, and also when requested examine and certify to the County Commissioners and the Police Trial Board the physical condition of all of the officers and men of the Montgomery County Police. For the additional services required by him by this sub-title, said County Health Officer shall not receive additional compensation.

800B. The Board of County Commissioners for Montgomery County are hereby authorized to appoint from time to time veterans from the armed services of the United States, such as the United States Army, Navy, Marine Corps, Coast Guard, Air Corps, and any other established branches, to the Montgomery County Police Force provided that said person so applying has served in the armed services of the United States two years subsequent to the effective date of the Selective Service Act as enacted by the Congress of the United States and approved by the President; and the Board of County Commissioners are further authorized in their discretion, to appoint not more than fifteen (15) of the emergency police officers authorized by Chapter 251 of the Acts of the General Assembly, 1941, provided that said officers appointed shall have served for one (1) year on the Montgomery County Police Force prior to their appointment and are selected by the Board of County Commissioners because of their experience and faithful services on said Montgomery County Police Force; and the Board of County Commissioners for Montgomery County in their discretion, are further authorized, due to the training of the members of the Maryland State Guard and the Reserve Militia of the Maryland State Guard, to appoint any member of the Maryland State Guard and the Reserve Militia of the Maryland State Guard, who has obtained the rank of a non-commissioned officer or commissioned officer, to the Montgomery County Police Force.

800C. Whenever it shall appear to the Board of County Commissioners of Montgomery County that the public safety requires additional police protection for the preservation of the peace or the adequate enforcement of law, they may in their discretion appoint such number of police officers for periods not to exceed sixty (60) days and may re-appoint such police officers for such additional sixty (60) day periods as may in their discretion be necessary for the public welfare; said temporary police officers so designated shall take the oath provided by law for deputy sheriffs and shall, during the time of their appointment, have all the powers of a regular member
