

comprehensive plan of road and bridge work, repair and construction in Baltimore County for the ensuing fiscal road year, showing as closely as may be the several district funds, and the general road and bridge fund and other available funds and how they are to be expended and on what roads and bridges, naming them, and the character in detail of the repairs and new construction, and the estimated cost of each item, and what proportion of the road money is for new construction, and what proportion is for maintenance and repairs, and what proportion of each fund is set apart and reserved for salaries, incidentals and contingencies, in detail. Notice of the filing of said report embracing said comprehensive plan of road work for the ensuing fiscal road year shall be published by the County Commissioners in such newspaper or newspapers as they may see fit, the first publication within one week of the filing of said report and containing a notice that said County Commissioners will hold not less than three meetings, naming the time and place thereof, during said month of December for the purpose of receiving and hearing recommendations, suggestions or objections of any taxpayer of Baltimore County in regard to any matter or thing contained in said plan. Said County Commissioners at the conclusion of the last of said meetings and on or before the first day of January thereafter, shall have power to change, alter or modify said comprehensive plan of said Roads Engineer, but said comprehensive plan as submitted or as changed, altered or modified by said County Commissioners on or before said first day of January, shall be binding on said County Commissioners during the ensuing fiscal road year and it shall be the duty of said Roads Engineer to see that said plan is carried out in every particular.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1943.

Approved May 4, 1943.

## CHAPTER 503.

(House Bill 325)

AN ACT to repeal Section 590 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Roads and Streets", said Section relating to the duties and powers of the Baltimore County Roads Engineer and requiring the publication of his annual report by the County Commissioners of Baltimore County.
