

dwelling, day nurseries, hotels and rooming houses, and camps, and to milk, foods, milk products and food products, and the manufacture, processing, handling and preparation thereof.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 293 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Health and Sanitation", be and it is hereby repealed and re-enacted, with amendments, to read as follows:

293. (a) The Board of County Commissioners of Baltimore County shall, ex-officio, constitute a local board of health for Baltimore County, and shall have and exercise all the powers and duties of a board of health as provided in Article 43 of the Code of Public General Laws, title "Health", although not specifically enumerated herein, except in so far as the provisions thereof may be inconsistent with the provisions of this sub-title; said local board of health shall have the general care of the sanitary interests of the people of Baltimore County; they shall make or cause to be made sanitary investigation and inquiries respecting the causes of disease, and especially epidemics and causes of mortality; they shall inquire into and investigate, or cause to be inquired into and investigated, all nuisances affecting the public health, comfort or property of the citizens of said county, or any city, town or village therein; and are authorized and empowered by information or petition filed in the name of such board, to apply to the judges, or to any judge of the Circuit Court for such county, in term time or vacation, for an injunction to restrain and prevent such nuisance, no matter by whom or what authority committed; and further, they shall have full power and authority to preserve the health of the county, to prevent and remove nuisances, and to prevent the introduction of contagious diseases within said county.

(b) For the purpose of protecting the public health, the Board of Health of Baltimore County may make any regulations in its opinion necessary, and may from time to time amend or repeal such regulations and make new regulations:

(1) to provide for the proper inspection of milk, foods, milk products and food products, or any of them, offered for sale or intended for consumption in Baltimore County;

(2) to provide for the proper inspection of all and any plants, factories, dairies, bakeries, and establishments of any kind or nature, manufacturing, processing, handling or preparing milk, foods, milk products, or food products, for the
