

purpose, more especially, of ascertaining their sanitary condition and cleanliness, and for the purpose of ascertaining the purity, healthfulness and wholesomeness of the ingredients or materials used in preparing the finished product offered for sale in Baltimore County or intended for consumption therein. Provided, however, that nothing contained in sub-sections (1) and (2) of paragraph (b) of Section 293, shall be construed to authorize the Board of Public Health of Baltimore County to make any regulations which differ in any respect from the provisions of Article 43 of the Code of Public General Laws (1939 Edition), relating to the sale, or preparation for sale, or inspections of any plants, factories, dairies, bakeries and establishments of any kind or nature, manufacturing, processing, handling, preparing or selling milk, foods, milk products or food products, as such article now provides, or may hereafter be amended, or with the regulations now or hereafter adopted by the State Board of Health covering the manufacture, processing and sale of food products intended for human consumption;

(3) to provide for the inspection of dwellings and to require that dwellings be maintained in sanitary condition and that they be kept clean and free from dirt, filth, rubbish, garbage and similar matter, and from vermin and rodent infestation and in good repair fit for human habitation;

(4) to provide for the inspection and licensing of all day nurseries in Baltimore County, to regulate their operation and conduct, and to require that they be kept in proper sanitary condition;

(5) to provide for the inspection and licensing of camps in Baltimore County, to regulate their operation and conduct, and to require that they be kept in proper sanitary condition;

(6) to provide for the inspection and licensing of all hotels, rooming houses and lodging houses in Baltimore County, to regulate their operation and conduct, and to require that they be kept in proper sanitary condition.

(c) As used in sub-section (b) above,

(1) The term "dwelling" shall be taken to mean any house or building or portion thereof which is occupied in whole or in part as a home, residence or sleeping place of one or more human beings, either permanently or transiently;

(2) the term "day nursery" shall be taken to mean an institution, establishment or place in which are received two (2) or more children for temporary guardianship and nursery care, apart from their parents or guardians, whether for compensation, reward or otherwise, during that portion of the day or night in which their parents or guardians are engaged in
