

tainment is to be produced, and shall specify the name of the drama, play, performance, concert or entertainment in which each minor is to participate. A permit shall be revocable by the officer authorized to issue permits should it be found that the environment in which the drama, play, performance or entertainment is being produced is not the proper environment and that the conditions of employment are detrimental to the health or morals of such minor. The Commissioner of the Department of Labor and Industry shall prescribe and supply the forms required for carrying out the provisions of this section. As distinguished from professional performers as designated in Section 11(a) a minor not less than 6 years of age may participate in professional performances and non-professional amateur performances for modeling, appearance in fashion shows, radio or television pageants or for charitable purposes, not to exceed twelve performances in any one year, for a performance not to exceed 20 minutes before the public. Permits for such performances to be issued by the Department of Labor and Industry upon the written approval of the principal of the school attended by the minor and by and with the written consent of the minor's parent or legal guardian and under the same terms and conditions as prescribed for professional performers as designated in Section 11(a). The provisions of this section shall not prohibit the appearance of minors who are participating in school or church plays or entertainments, or in education programs in the public service.

12. No minor under the age of 18 years shall be employed, permitted or suffered to work in, about, or in connection with blast furnaces, docks, wharves or slips, or as pilots, firemen or engineers upon any vessel or boat engaged in navigation or commerce or at switch tending, gate tending, track repairing, or as brakeman, fireman, engineer, motorman or conductor upon any railroad, whether steam or electric or hydraulic, or in the erection and repair of electric wires, in oiling or cleaning machinery in motion, in the operation of emery wheels or any abrasive polishing wheel where articles of the baser metals or iridium are manufactured, or in any distillery, brewery or other establishment where malt or alcoholic liquors are manufactured, packed, wrapped or bottled.

13. (a) No minor under 18 years of age may be employed, permitted, or suffered to work in or about any plant manufacturing explosives or articles containing explosive components except minors 16 and 17 years of age may be employed in plants manufacturing small arms ammunition not exceeding .50 caliber in size, shotgun shells, or blasting caps when
