

WHEREAS, the value and importance of seafood resources for both States make it almost a necessity that officials of the two States continue their efforts to find some common ground for agreement; now therefore be it

*Resolved by the General Assembly of Maryland,* That the Commission of Tidewater Fisheries of the State of Maryland and the Commission of Fisheries of the State of Virginia be and they are hereby requested to continue their efforts to find a mutually satisfactory solution for the problems of the Potomac River and Chesapeake Bay areas; and be it further

*Resolved,* That the two Commissions be requested to report any results of their work to the General Assembly of Maryland at its regular session in 1951; and be it further

*Resolved,* That the Secretary of State of Maryland be and he is hereby directed to send a copy of this Joint Resolution, under the Great Seal of Maryland, to the Virginia Commission of Fisheries.

Approved March 28, 1950.

No. 6

(Senate Joint Resolution 13)

Joint Resolution requesting the Governor to appoint a Commission to study the desirability of erecting or otherwise acquiring a State Office Building and directing said Commission to report to the Governor not later than December 1, 1950, preliminary plans, cost estimates and recommendations in connection therewith.

WHEREAS, the offices of various State departments, agencies and personnel are scattered throughout different buildings in Baltimore City and other localities in the State, and it has been suggested that efficiency and economy may be promoted by the erection or acquisition of a State Office Building to house a substantial number or all of such offices; now, therefore, be it

*Resolved,* That the Governor be and he is hereby authorized and directed to appoint, on or before April 1, 1950, a Commission, to be known as The State Office Building Commission, to be composed of seven members, five of whom shall be
