

receive one dollar per day during their attendance, CHAP. 252. which said fees and allowances shall be paid by the said company; and the said company, or their agents, shall have power to remove said material aforesaid across any lands not in meadow, or grain, upon paying reasonable compensation to the owner or owners, for any injury or damages, to be ascertained by a jury as above, in case it cannot be obtained by agreement.

SEC. 10. *And be it enacted*, That the said company shall cause the said road to be laid out and opened, which said road shall be as wide as the bed of the old road upon which they propose to build, and shall cause sixteen feet thereof, or any greater portion or width they may determine, to be made an artificial road of stone or gravel, upon the plan, style, depth and level of the road leading from the Monocacy bridge to Frederick city, which they intend this road to connect with, as far as is consistent with the nature of the ground, and shall during the continuation of this corporation, maintain and keep the said road in good and perfect order and repair, during the continuation of the corporation. Width of road, &c.

SEC. 11. *And be it enacted*, That as soon as the president and managers have, for the said company, perfected the said road, they shall give notice to the Governor of the State, who shall thereupon forthwith nominate and appoint three skillful and judicious persons to review and examine the same, and report to him, in writing, whether the said road is so far executed in a masterly and workmanlike manner, according to the true intent and meaning of this act, and if they, or a majority of them, shall so report affirmatively, then the Governor shall, by license under his hand and the seal of the State, permit the president, managers and company aforesaid to erect such and so many gates upon and across the said road, as will be necessary and sufficient to collect the tolls and duties hereinafter granted to said company, from all persons traveling on the same with horses, cattle, wagons, carts and carriages. Examiners.

SEC. 12. *And be it enacted*, That the said company shall have power to erect bridges over all streams of water crossing the said road, and may enter upon and take all land and materials neces- License to erect gates and collect tolls. Bridges.
