

water-tight, leak-proof bodies, in metal containers with tight-fitting covers. The County Health Officer shall have the power and authority to license the vehicles that are used for the purpose of hauling the said garbage, and each operator shall pay an annual license fee of Twenty-five (\$25.00) Dollars for each vehicle used, the revenues from such licenses to be retained by the County Health Officer to defray the cost of inspection service for the enforcement of this section; provided, however, that this section shall not apply to vehicles operated by any incorporated town of Charles County, Maryland.

(4) Any person violating the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than five dollars (\$5.00) nor more than fifty dollars (\$50.00).

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1945.

Approved April 27, 1945.

## CHAPTER 849.

(House Bill 806)

AN ACT to add a new section to Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Health and Sanitation", said new section to be known as Section 366A, and to follow immediately after Section 366 of said Article, making it unlawful to pollute or discolor certain waters in Baltimore County.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That a new section be and it is hereby added to Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Health and Sanitation", said new section to be known as Section 366A, and to follow immediately after Section 366 of said Article, and to read as follows:

366A. It shall be unlawful for any person, firm or corporation to discharge or empty or to permit the discharging or emptying of any waste product, dyestuff, or other material or substance of whatever kind and in whatever form, into or near any stream or river in Baltimore County, the waters in which run into any reservoir located at Loch Raven in said county, where the discharging or emptying of said waste product, dyestuff, or other material or substance as aforesaid discolors or pollute or tends to or would tend to discolor or pollute any of said waters. Any person, firm or corporation violating the
