SEC. 4. *And be it further enacted*, That a new section be and the same is hereby added to Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Roads and Streets", said new section to be known as Section 599, to follow immediately after Section 598 of said Article and to read as follows:

599. Whenever it shall become necessary, in the discretion of the County Commissioners to lay out or construct any sewer, drain or ditch across or under the property of any individual or corporation for the purpose of draining the surface water from any public highway heretofore existing or hereafter dedicated by grant, condemned or declared to be a public highway as provided in this Act, said County Commissioners of Baltimore County in addition to their general power, shall have the power to lay out and construct the same in accordance with the procedure for the opening, altering, relocating or closing of county roads, and to assess the benefits and award the damages arising therefrom in the same manner. When any sewer, drain or ditch is so constructed for the purpose of carrying off surface water from the roads as aforesaid, said County Commissioners shall have the right to allow connections to be made therewith from private property upon such terms as they may decide proper or just. The revenues derived from such source shall be applied to the benefit of the county roads and highways.

SEC. 5. *And be it further enacted*, That Section 601 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Roads and Streets", as the same was repealed and re-enacted by Chapter 517 of the Acts of 1939 and Section 601A of said Article as the same was enacted by Chapter 517 of the Acts of 1939, be and the same are hereby repealed and re-enacted, with amendments, to read as follows:

601. The Roads Engineer of Baltimore County shall have the power and authority to approve in writing the general plan of streets, avenues and highways which may be adopted by the County Commissioners of Baltimore County, or as any plan so adopted may be amended. Said Roads Engineer may formulate a general plan of laying out and locating streets, alleys and highways in Baltimore County, and recommend the
