

Annotated Code of Maryland, by the sale of the property liable therefor, and to convey a good title to any such property sold by him.

(E) That said town Treasurer shall make, at each regular monthly meeting of said Commission, a monthly written report to the Morningside Commission, which said report shall state, in itemized form, all receipts and disbursements, of town money coming into his hands, which monthly report shall be signed and sworn to, as being a complete and accurate report, by said town Treasurer before said Secretary Commissioner.

(F) That the Morningside Commission shall examine such monthly report of said town Treasurer and, within one month after filing of the same by said town Treasurer, the said Commission, at a regular or special meeting thereof shall, by resolution entered in the minute books of said Commission, approve or disapprove of such report. Such monthly report shall be filed among the town records, and the yea and nay vote of each Commissioner on the resolution approving or disapproving any such monthly report of said town Treasurer and shall be entered in the minute books of said Commission and the adoption by said Commission by a resolution approving any such monthly report of said town Treasurer shall be considered a certificate to the citizens of the Town of Morningside, of each Commissioner so voting an approval of such monthly report that, after careful examination of the matter, he considers such monthly report, to be complete and accurate. Provided, however, that nothing contained in this Act shall in any wise affect the liability to said town of said town Treasurer; and provided, further, that nothing contained in this Act shall in any wise affect the liability of the surety or sureties on the bonds of said town Treasurer.

(G) That in the event that said Commission, after careful examination, shall adopt a resolution disapproving any such monthly report of said town Treasurer, said Commission shall within five days (including Sundays and holidays) notify said town Treasurer of the fact of the adoption of such resolution disapproving such monthly report, and of the reason or reasons for such disapproval, and call upon said town Treasurer to make another and accurate report or satisfactorily explain to said Commission, such part or parts of such report as shall have been disapproved by said Commission. Such notice may be served upon said town Treasurer, either personally by any of said Commissioners, or by posting a copy of the same at the last regular meeting place of said Commission, or by mailing a copy of same to the last residence or business address given by said town Treasurer to said Commission.
