

white canvas one number corresponding to the dredging license number and shall give to each person taking out such license said number, which shall be securely sewed upon the starboard side and in the middle of that part of the mainsail which is above the close reef. This number shall be placed in an upright position, worn at all times during the dredging season and shall not be concealed or defaced.

(e) *Transfer of Boat and License.* It shall be lawful for the owner of any licensed dredge boat, whenever said owner shall sell and convey by bill of sale for a *bona fide* consideration such boat to any person who has been a resident of the State for at least one year, to transfer said license to said purchaser with said boat, and such license so transferred shall entitle said purchaser to the same privileges of taking or catching oysters that the original owner had before such assignment; provided both seller and purchaser appear before the Commission of Tidewater Fisheries and make oath to all facts, matters and things made in the application for such license and that purchaser pay said Commission the sum of Five Dollars (\$5.00), and that said Commission shall certify on the license that such sum has been paid.

(f) *Revision of Chesapeake Bay Dredging License.* It shall be the duty of the Department of Tidewater Fisheries and all officers of said Department, at any time it shall be deemed proper, to inspect and verify the measurements of any licensed boat and the measurements ascertained by said Department, or its officers, shall be deemed final and conclusive, and any license previously granted shall be corrected and amended in accordance with such measurements and the appropriate license fee paid in accordance with such corrected measurements, and the rights previously granted by any license issued shall be suspended until the full payment of such license fee be made in accordance with the provisions of the law based on said re-measurement.

(g) *Disposition of License Fees.* All fees received from Chesapeake Bay dredging licenses shall be paid by the Department of Tidewater Fisheries to the Comptroller of the Treasury to be credited to the oyster fund.

(h) *Privileges of a Chesapeake Bay Dredging License—Locations.* Any boat licensed to take or catch oysters by dredge in the Chesapeake Bay may be used or employed in the Chesapeake Bay as defined in this Article except in the following waters: that area bounded by a line drawn from Lows Point on the mainland to the northern end of Poplar Island; thence southerly around the westerly shore of Poplar Island to the southwesterly most point; thence running in a straight
