

each license held by him, as a license fee for the succeeding calendar year.

166. (Place of Business.) Not more than one place of business shall be maintained under the same license, but the Commissioner may issue additional licenses to the same licensee upon compliance with all the provisions of this sub-title governing issuance of a single license.

167. (Removal.) No change in the place of business of a licensee to a location outside of the original city or county shall be permitted under the same license. When a licensee wishes to change his place of business within the same city or county, he shall make a written request to the Commissioner. If the Commissioner approves of the request, he shall enter an order permitting the change and shall amend the license accordingly.

168. (Residence of Borrowers.) Nothing in this sub-title shall be construed to limit the loans of any licensee to residents of the community in which the licensed place of business is situated; nor to prohibit making loans or advances by mail; nor at the request of the individual borrowers to prohibit accommodations to such individual borrowers in sickness or in connection with hours of employment or other such situations.

169. (Revocation of License.) The Commissioner may, upon ten days' written notice to the licensee stating the contemplated action and in general the grounds therefor, and after hearing if requested in writing by the licensee before the expiration of said ten day period, revoke any license issued hereunder if he finds that: (1) The licensee has failed to pay the annual license fee; or that (2) The licensee either knowingly or without exercise of due care to prevent the same, has violated any provision of this sub-title or any regulation or order lawfully made pursuant to and within the authority of this sub-title, or that (3) Any fact or condition exists at the time of the proposed revocation which, if it had existed at the time of the original application for such license, clearly would have warranted the Commissioner in refusing originally to issue such license.

170. (Suspension of License.) If the Commissioner finds that probable cause for revocation of any license exists and that enforcement of this sub-title requires immediate suspension of such license pending investigation, he may, upon three days' written notice and a hearing, enter an order suspending such license for a period not exceeding thirty days.
