

under the provisions of the primary laws of this State which it will thus supersede to the extent of the territory covered by said review and recount.

And upon such petition and appeal as is herein provided for being filed before the completion of any canvass by the ordinary canvassing board of the State or of any county or municipality thereof such board shall adjourn over and their canvass shall be suspended until the appeal, review, recount and re-canvass herein provided for shall have been completed, so that said board shall make their certificate conform to the action and finding and to the certificate given by said Supervisors of Elections so sitting as judges of election on appeal.

Nothing in this section shall affect or prejudice any rights of any person to contest the result of any primary election or to institute proceedings to invalidate the same.

55. In the event of any vacancy occurring because of the death or resignation of any person nominated for any State or judicial office, or as a candidate for member of the Congress of the United States or for United States Senator, under provisions of the preceding sections of this Article, beginning with Section 45, such vacancy shall be filled by the State Central Committee, or governing body for the State, of the political party to which said nominee belongs; and in the event of any vacancy occurring because of the resignation or death of any person nominated for any office in any county of this State under the provisions of the aforesaid preceding section of, this Article, such vacancy shall be filled by the State Central Committee, or governing body of the party to which said nominee belongs of the county in which any such vacancy occurs.

ELECTIONS.

56. All ballot-boxes shall be constructed as follows: Each box shall be one foot outside measure, as near as may be, in width and length, and eighteen inches in depth, strapped and secured on each edge and corner with brass mouldings, securely brazed or soldered together at the junctions thereof, so as to prevent it from being easily broken; it shall have a strong wooden lid, which shall be fastened to the box with brass or iron hinges, not accessible from the outside, and shall have a good lock; there shall be a slit in the lid just large enough to admit a single folded ballot at one time, and the sides and bottom of the box shall be of clear plate glass not less than one-eighth of an inch in thickness. Each such box, when not in actual use at a polling place, shall be kept in a wooden case for the protection of the same and its contents in the transportation and storage thereof.
