

one (1) arbitrator. The two (2) arbitrators so appointed shall select a third, who shall be chairman of the Board of Arbitration. If the two arbitrators are unable to agree upon the third arbitrator, the Chief Judge of the Court of Appeals shall be requested to designate such third arbitrator, and the written decision of the majority of the Board of Arbitration shall be final and binding upon both parties. If, in the future, the Commissioners should desire to acquire water distribution mains and their appurtenances owned by Baltimore City and serving consumers in the Metropolitan District exclusively, or, if the Mayor and City Council of Baltimore should seek to acquire additional rights for the construction of sewer or water facilities in any manner affecting Baltimore County, said Commissioners and the Mayor and City Council of Baltimore, in either event, shall negotiate, and if unable to agree shall submit the matter to arbitration in the manner above provided.

SEC. 2. *And be it further enacted*, That Section 330 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Health and Sanitation" (Metropolitan District), as the same was repealed and re-enacted by Chapter 186 of the Acts of 1937, be and the same is hereby repealed and re-enacted, with amendments, to read as follows:

330. The Commissioners from time to time shall cause surveys, studies, plans, specifications and estimates to be made for water supply, sewerage and storm water drainage systems in all those parts of the Baltimore County Metropolitan District in which there is, in their judgment, a need for water supply, sewerage or drainage. Whenever plans shall have been completed for a water supply, sewerage or storm water drainage system, or any part thereof, in any part of the District the Commissioners shall proceed to construct or cause to be constructed such systems, or parts thereof, by contract, after public advertisement, or by day labor, if no satisfactory contract can be made after public advertisement, as they may deem advisable, so that said system or systems may be constructed at a minimum cost, provided, however, that the cost of such work carried out by day labor shall not exceed, at any time, twenty-five hundred dollars (\$2,500.00). No water or sewer lines or systems, or any part thereof, shall be constructed except upon the written recommendation of the Chief Sanitary Engineer. Before making his recommendation in writing with respect to the construction or extension of any water or sewer lines or systems, or any parts thereof, the Chief Sanitary Engineer shall make a thorough field inspection of the territory proposed to be served by the new construction or extension, and shall prepare sufficient
