

tion shall not be made, or such work done, after the expiration of the time prescribed, such prosecution to be had upon warrant before any trial magistrate residing within Baltimore County, with the right of appeal to the accused to the Circuit Court for Baltimore County, said appeal to be taken within ten days from the date of conviction before the trial magistrate. The Commissioners shall formulate, publish and enforce a plumbing code, and shall prescribe such rules and regulations governing the use of said water and sewer connections, and for the maintenance and operation of their systems, as they may deem necessary; and every person who shall make the personal service above prescribed shall deliver to the person upon whom such service is made a copy of such plumbing code and of such rules and regulations, and shall obtain from such person upon whom such service is made a receipt of such copies as aforesaid, or in default of such receipt shall file with the Commissioners an affidavit that such copies have been delivered as aforesaid. Any violation of said code or of any rule or regulation prescribed by the Commissioners as above, upon the part of any person to whom such copies shall have been delivered as aforesaid, shall be punishable by a fine not exceeding one hundred dollars, upon conviction before any trial magistrate, residing within Baltimore County.

SEC. 6. *And be it further enacted*, That Section 335 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub title "Health and Sanitation" (Metropolitan District), as the same was repealed and re-enacted by Chapter 732 of the Acts of 1943, be and the same is hereby repealed and re-enacted, with amendments, to read as follows:

335. For the purpose of paying the interest and providing the sinking fund for the bonds issued by the County Commissioners, as hereinafter provided for the water supply, sewerage and drainage systems, or parts thereof, to be constructed, purchased or established under this Act, the Commissioners are hereby empowered and directed to make a proper and reasonable charge for connection with said water supply, sewerage and drainage systems, or parts thereof, so to be constructed, purchased, or established, as aforesaid, to change and vary said connection charges from time to time in order to reflect cost, and to fix an annual assessment on all properties, improved and unimproved, binding on a street, road, lane, alley or right-of-way in which a water main, sewer or drain has been built. The said annual assessment shall be made upon the front foot basis, except in situations where property owners have agreed with the Commissioners on another or additional basis of annual assess-
