CHAPTER 1042.

(House Bill 688)

AN ACT to create a corporation under the jurisdiction of the Board of Regents of the University of Maryland to promote and develop industrial research and to transact such business as may be incident thereto.

WHEREAS, the University of Maryland has recently been the recipient of a large gift for industrial research and probably will receive other gifts of a like nature; and

WHEREAS, the State of Maryland will, through the University of Maryland, cooperate with industry in carrying on research, and may develop research of such nature entirely of its own volition; and

WHEREAS, it probably will become necessary, in the course of the proposed research, to apply for and obtain patents, to dispose of same, and receive income from same, and to accept gifts and grants, and in other ways promote and develop industrial research; now, therefore

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That there is hereby created a corporation to be known as the State Institute for Industrial Research, the purpose and business of which shall be to accept gifts, grants, and in other ways to promote and develop industrial research in the University of Maryland.

SEC. 2. *And be it further enacted*, That for the purposes of this Act the term industrial research shall be deemed to indi-
