

CHAPTER 391.

(Senate Bill 306)

AN ACT to repeal and re-enact, with amendments, Sections 425-428, inclusive, and Sections 431-436, inclusive of Article 43 of the Annotated Code of Maryland (1939 Edition), title "Health," sub-title "Chiropody," and to add Sections 434A and 436A to said Article, clarifying and revising the laws relating to Chiropody and prohibiting certain advertising by Chiropodists.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Sections 425-428, inclusive, and Sections 431-436, inclusive, of Article 43 of the Annotated Code of Maryland (1939 Edition), title "Health," sub-title "Chiropody," be and they are hereby repealed and re-enacted, with amendments, and that Sections 434A and 436A be and they are hereby added to said Article, all to read as follows:

Chiropody.

425. All persons now practicing chiropody, or who shall hereafter begin to practice chiropody in the State of Maryland shall possess the qualifications required by this sub-title. It shall be unlawful for any person to designate himself or herself or his or her occupation by the use of any words or letters or trade diplomas calculated to lead others to believe that he or she is a chiropodist or foot specialist unless he or she is duly licensed as provided for in this sub-title. All persons licensed under this sub-title shall designate themselves as chiropodist and use no other appended titles, such as foot specialist, orthopedist, surgeon, etc. All licenses issued by the Board shall be issued to individual persons. It shall be unlawful for any chiropodist licensed in this State to practice under the name of any entity of any kind or character or any name except his or her true name under which the license is issued.

426. There shall be established a Board of Chiropody Examiners for the State of Maryland. This Board shall consist of four members whose duty it shall be to carry out the purposes and enforce the provisions of this sub-title. They shall be selected by the Board of Medical Examiners of the Medical and Chirurgical Faculty of Maryland at its annual meeting (in June), three of the said four members to be selected from among the members of the Maryland Pedic Association, and one from among the members of said Board of Medical Examiners of the
