

Medical and Chirurgical Faculty of Maryland; and each appointee is, immediately after his or her election, to be furnished with a certificate thereof by the said Board electing him or her. The term of office of the four members first appointed shall be for one year, two years, three years and four years respectively. The Board of Medical Examiners of the Medical and Chirurgical Faculty of Maryland, shall designate which of said members first appointed shall serve for said respective terms. Upon the expiration of the term of each of said members first appointed the term of his successor shall be for four years, the outgoing members to be eligible for re-election. The term of office of each member shall commence on the fifteenth day of June next ensuing his or her appointment. In case of a vacancy occurring in said Board of Chiropody Examiners, said Board shall fill the same until the next annual meeting of the Board of Medical Examiners of the Medical and Chirurgical Faculty of Maryland, when said latter Board shall elect an examiner to serve for the remainder of such unexpired term.

427. The Board of Chiropody Examiners, for the purpose of examining applicants under this sub-title for a license to practice chiropody in this State, shall hold two meetings in each year, at such times and places as the Board may determine. Such notice of the times and places of such examinations shall be given as to the Board may seem proper. The Board may make and adopt such rules and regulations in connection with the conduct of its examinations as may, in the judgment of the said Board, be necessary to carry out the purposes and provisions of this sub-title. It shall provide such books, blanks and forms as may be necessary in order to conduct said examinations, and shall keep and preserve a complete record of all of its transactions. It shall investigate violations and report same to the State's Attorney; of Baltimore City or the County where violation takes place; who shall prosecute. No license to practice chiropody shall be granted by the Board unless at least three members of the Board vote in favor of granting such license. All examinations shall be conducted by the Board in writing, but the Board, in its discretion, may use supplementary oral and Clinical examinations. The examinations shall include only those subjects taught in the accepted chiropody curriculum. After such examination the Board shall without any unnecessary delay act upon same, and shall issue a certificate signed by each member of the Board to the successful candidates. An official record of all examinations shall be spread on the minutes of the Board. The Board of Chiropody
