

George's County, defined as the Metropolitan District, in Chapter 1008 of the Acts of 1943 of the General Assembly of Maryland, and said taxes shall not be levied in any regional district or in any part of said County added to said Metropolitan District by this or under any subsequent General Assembly. The County Commissioners shall offer said bonds, or any issue thereof, for sale to the highest bidder, by sealed bids delivered at a place and time mentioned and described in one or more advertisements inserted in at least two newspapers. The said Commissioners may adopt such rules and regulations relating to said bonds and offering as they deem advisable.

SEC. 2. *And be it further enacted*, That the proceeds of the said bonds, or any issue thereof, shall be allocated by said County Commissioners as follows and proportionately:

Five Hundred Thousand Dollars (\$500,000) for widening, straightening and generally improving our present road system, in conjunction with the State Roads Commission and the Federal Bureau of Public Roads, with such additional funds as may be available from either source, primarily considering the needs of our community and not through traffic;

Two Hundred Fifty Thousand Dollars (\$250,000) for park improvements, including park roads, and the acquisition of particularly desirable land in a planned park system, that may be lost by building encroachments or other private uses in the future, including the construction of an office building for the use of the Maryland-National Capitol Park and Planning Commission at a cost not to exceed \$25,000;

Fifty Thousand Dollars (\$50,000) for the treatment of dangerous road or street intersections not coming within the road improvement fund;

Sixty Thousand Dollars (\$60,000) for the purchase of future play grounds;

Forty Thousand Dollars (\$40,000) for roadside improvements, including tree planting, trimming, etc., under the direction of the Forestry Service;

Fifty Thousand Dollars (\$50,000) for the installation of equipment for lighting important roads and particularly intersections;

Fifty Thousand Dollars (\$50,000) for the purchase or the cost of condemnation of unsightly or hazardous roadside buildings, bill board sites, obstructions, etc.

Provided, however, that said County Commissioners may, at the request of the Advisory Board hereinafter created, change the allocation of any of the funds in an amount not exceeding twenty (20) per cent; and provided, further, that all or any part of the funds allocated for street or highway
