

United States and any rules or regulations made thereunder.

77. (Disposition of Federal Funds.) All money accepted for disbursement by the Commission, pursuant to Section 76 of this Sub-title, shall be deposited in the State Treasury, and, unless otherwise prescribed by the authority from which the money is received, kept in separate funds, designated according to the purposes for which the moneys were made available, and held by the State in trust for such purposes. All such moneys are hereby appropriated for the purposes for which the same were made available, to be expended in accordance with Federal laws and regulations and with this Article. The Commission is authorized, whether acting for this State or as the agent of any of its municipalities, or when requested by the United States Government or any agency or department thereof, to disburse such moneys for the designated purposes, but this shall not preclude any other authorized method of disbursement.

78. (Law Governing Contracts.) All contracts for the acquisition, construction, improvement, maintenance, and operation of airports, or other air navigation facilities made by the Commission, either as the agent of this State or as the agent of any municipality, shall be made pursuant to the laws of this State governing the making of like contracts; provided, however, that, where the acquisition, construction, improvement, maintenance, and operation of any airport, landing strip, or other air navigation facility is financed wholly or partially with Federal moneys, the Commission, as agent of the State or of any municipality thereof, may let contracts in the manner prescribed by the Federal authorities, acting under the laws of the United States, and any rules or regulations made thereunder, notwithstanding any other State law to the contrary.

79. (Conforming Airport Plans with those of Federal Agencies.) The Commission, in promulgating plans, ratings and regulations relating to the construction and maintenance of airports or restricted landing areas in the State, as hereinbefore authorized, shall, as far as possible, make such plans, ratings and regulations conform to and coincide with those issued from time to time by the Federal Government or any duly authorized agency thereof.

SEC. 2. *And be it further enacted,* That if any provision of this Article, or the application of any such provision, to any person or circumstance shall be adjudged or held by
