"Chapter 19. Source and Distribution of Income", said Section relating to the General State School Fund, the Equalization Fund and the taxes to be levied and distributed for participation in said Funds.

SECTION 1. Beit enacted by the General Assembly of Maryland, That Section 196 of Article 77 of the Annotated Code of Maryland (1947 Supplement), title "Public Education", sub-title "Chapter 19. Source and Distribution of Income", be and the same is hereby repealed and re-enacted, with amendments, to read as follows:

All money appropriated subsequent to the enactment of this section, by the General Assembly of the State of Maryland and the receipts from any State public school tax levied by the General Assembly, to aid in support of public schools, shall constitute what shall be known as the General State School Fund. The Comptroller shall charge against and pay as hereinbefore or hereinafter provided from the General State School Fund, the annual appropriation made by the General Assembly for the support of the State Department of Education, including the expenses of the State Board of Education, and the support and expenses of the office of the State Superintendent of Schools; the annual appropriation for the maintenance and support of the State Teachers College at Towson, of the State Teachers College at Frostburg, of the State Teachers College at Salisbury, and of the State Teachers College at Bowie; the annual appropriation for the Maryland Teachers Retirement System; the annual appropriation for part payment by the State of the salaries of county superintendents and of the superintendent of schools of Baltimore City, and of the supervising teachers or helping teachers in each of the several counties and the City of Baltimore; the annual appropriation for payment by the State of two-thirds (2/3) of the salary of one supervisor of pupil personnel in each county and Baltimore City, and of one or more visiting teachers in the larger counties and Baltimore City; the annual appropriation for the education of handicapped children, the annual appropriations for administration and supervisors of vocational education in public high and vocational schools, for physical education and recreation, for medical examinations of teachers, for case and guidance service for handicapped individuals needing vocational rehabilitation, for equivalence examinations, for public libraries, and for adult education; the annual appropriation per classroom unit as required in this Article; the annual appropriation per pupil enrolled as required in this Article! such special
