

able to and dedicated by each of the counties of the State and the City of Baltimore, for the purpose of financing the construction of public school buildings and public school facilities and the purchase of public school lands. The calculation of the amount of money as specified in the last preceding sentence of this sub-paragraph shall be made in such a manner and at such time or times as the Board of Public Works may by regulation prescribe.

(c) Upon the receipt of the findings of fact by the Board of Public Works all as more particularly set forth in sub-paragraph (b) of this Act, the said Board shall grant the financial assistance as provided for in this Act to each of the counties for which the said findings have been made or to the City of Baltimore, if the findings of fact have been made concerning said City. Said financial assistance shall be granted subject to the following terms and conditions:

(1) The grant of financial assistance to each of the counties and to the City of Baltimore as herein provided shall be absolute, there being no obligation on the part of any said counties receiving assistance hereunder or upon the City of Baltimore if it receives assistance hereunder to repay the amount of said grant at any time.

(2) The grant of financial assistance to each of the counties and to the City of Baltimore as herein provided shall be made upon a matching basis. The requirement of a matching basis as provided herein shall be satisfied by the granting of One Dollar (\$1.00) from the funds created by the sale of Certificates provided herein for each Three Dollars (\$3.00) available to and dedicated by each of the counties and the City of Baltimore for the purposes of financing public school buildings, public school facilities and the purchase of public school lands. The amount required to be dedicated for the purchase of public school buildings and public school facilities and public school lands as specified herein shall be calculated as provided for in sub-paragraph (b) of this Act.

(3) The grant of financial assistance to each of the counties and to the City of Baltimore as herein provided shall be limited to an amount equal to Sixty Dollars (\$60.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore as the case may be. As used in the sub-paragraph, the phrase "number of pupils enrolled" shall mean the average number of pupils enrolled in schools in the month having the highest average pupil enrollment in the school year in which the financial assistance provided for herein is requested.
